

Tianyan 天眼

I made Tianyan (天眼) inspired by an actual valorant flex named Statcom. With Tianyan you can check your K/D/A, on which map is your win rate the highest, which agent you use the most, your rank etc.

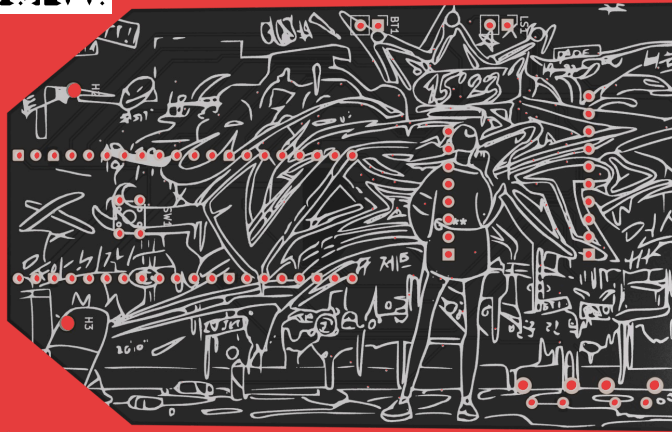

github repo:

features:

- Wi-fi
- 3.2 inch screen
- shows match stats
- inspired by Statcom(from valo)
- touchscreen

demo video:

made by Innaf0, 14, from Transylvania/ Szeklerland
